Attn: Ishwar Patel, Examiner  
Art Unit 2841

Dear Mr Patel,

In the previous letter of August 1, 2005 I attached a mark-up of the original abstract which had three word for inclusion in the text to clarify the wording. This was sheet three of the fax sent.

After having spoken to Reginald Tyson I now see that this has added confusion rather than clarification. He told me that this was the cause of his notice of non-compliance dated August 1, 2005. I had no intention of changing the claim or the abstract. Accordingly he advised that the easiest way to remove this obstacle might be to remove this sheet.

Accordingly, Please disregard sheet 3 of that fax and proceed with the letter of sheet 2 of That same fax dated August 1 2005.

Sincerely

Ronald Miller
